STRATEGIC SOURCING & PROCUREMENT OPERATIONS LEADER

alexandermorris135@gmail.com , [\(727\) 455-2422](tel:(727)455-2422) , St. Petersburg, FL , [linkedin.com/in/alexandermorris2000](https://www.linkedin.com/in/alexandermorris2000)

SUMMARY

Strategic Sourcing & Procurement Operations leader with progressive experience driving end-to-end procurement for IT, treasury/exchange operations, and banking. Combines procurement analytics with process optimization to reduce spend and enforce contract compliance. Collaborates across business units to align stakeholder priorities and deliver measurable outcomes. Possesses an M.S. in Supply Chain Management.

EXPERIENCE

Procurement Analyst

2025 - Present

Raymond James & Associates, Inc.

St. Petersburg, FL

Drive end-to-end indirect procurement and IT/software contract lifecycles across multiple business units. Manage high-volume commercial agreements and supplier negotiations for 40+ vendors.

- Manage sourcing activity of \$5M+ in cumulative spend, including \$2M across IT software/services, hardware purchases, and maintenance renewals.
- Secured 15% savings and a 3-year rate lock by leading direct supplier negotiations to restructure an underperforming contract.
- Accelerated routine procurement cycles by a minimum of 10% by improving contract management workflows for lower-risk purchases while maintaining appropriate controls.
- Build Power BI reporting across spend, supplier performance, contracts, savings, and operational KPIs to strengthen visibility and support sourcing and supplier decisions.
- Improved the team's operational capabilities by training leaders and cohorts in sourcing/procurement processes, contract management best practices, and AI tools.

Procurement Analyst

2024 - 2025

ICONMA, LLC - Raymond James & Associates, Inc.

St. Petersburg, FL

Engaged in end-to-end sourcing, stakeholder alignment, and supplier fulfillment across multi-unit operations. Managed \$200K in monthly purchase order activity while overseeing supplier relationships, contract reviews, and purchasing metrics with continuous process and commercial improvements.

- Captured 4% overall savings by leveraging KPI data to guide vendor negotiations and revise underperforming terms for a favorable outcome.
- Reduced data privacy risks by auditing vendor contracts and negotiating revised terms to meet compliance standards.
- Prevented payment delays and rework by identifying and reconciling 15+ PO matching exceptions and coordinating with stakeholders and suppliers to resolve the root causes of discrepancies.

Procurement Contract Analyst

2023 - 2024

ICONMA, LLC - Raymond James & Associates, Inc.

St. Petersburg, FL

Supported full lifecycle contract execution and management for 275+ contracts across the business. used Excel, Oracle contract repositories, and procurement systems to improve organization, visibility, and accuracy across the portfolio.

- Piloted a cross-functional Rapid Review system that handled 250+ transactions with zero delays or lost service. Refined the pilot to achieve expedited payment with existing suppliers, reducing qualifying transaction cycle times to 10 days or less.
- Resolved 50+ monthly pricing, supplier-data, and contract-alignment discrepancies while improving data integrity and visibility across procurement records.
- Reduced downstream rework by collaborating with varied stakeholders to resolve operational issues using structured, repeatable solutions that eliminated incomplete or inconsistent contract information and supplier documentation.

Office Services Coordinator

2022 - 2023

Adams & Reese, LLP
